To Whom It May Concern:

I have known and worked with Mr. Vince Wolle for several years. Based on my personal observations, I have found him to be a hardworking and ethical person who always goes the extra mile for his clients. He understands the importance of maintaining his integrity while at the same time delivering great results for his clients. I believe that explains why he has such an excellent reputation within the business community.

Last year, Mr. Wolle successfully represented my law firm in locating office space and negotiating favorable lease terms. I was extremely pleased that he diligently and aggressively pursued multiple opportunities for us. He always kept us informed of his efforts and he provided great advice which was critical to our being able to make sound and informed decisions.

If you should have any questions, please feel free to contact me directly at 407-426-9300.

Very truly yours,

Peter F. Carr, Jr., Esq.
